Dear Benson Memorial Family,

Thank you for the many generous ways through which you consistently support this church. Your prayers, presence, gifts, service, and witness are making a difference in our local community and in the mission and ministry of United Methodists around the world.

We ask you to participate in the 2022 Stewardship Campaign in October 2022. Over the next four Sundays, we will discern how the Holy Spirit is leading us to be disciples of Jesus Christ. We will be especially attentive to the financial needs of Benson Memorial, both seeking to be good stewards for what God has given each of us and dreaming boldly about what God is ready to do next through each of us and in the church.

Enclosed is a pledge card on which you are invited to offer your financial commitment for 2023. Pledging is an important part of church membership. It helps church leadership plan for the needs and the ministry of the church in 2023. It is also a commitment you make before God to return a portion of what you have received back to God's service. Please prayerfully consider what you will give in 2023 and bring your pledge card to worship on October 23 (pledges may also be mailed to or dropped off at the church).

As we launch this important campaign, be in prayer for Benson Memorial. We hope this campaign will be about more than just finances but will also be a time for all of us to reconnect with each other and recommit our whole selves to following Christ. You are a valuable member of the Benson Memorial family and we appreciate your generosity.

In Christ,

Alan Felton
Pastor
