

EMERGENCY EVACUATION

For detailed exit routes from the sanctuary, see back of this page. Scan the QR code for a copy of this emergency evacuation plan.

SEVERE WEATHER

Administration Bldg.

Go to lower level hallway. Close all doors. Monitor safety via cell phones.

Fellowship Hall

Go to Room 101 or bathrooms. Close all doors. Monitor safety via cell phones.

Sanctuary

Those with mobility issues, go to the narthex bathroom and close the door. All others go to lower level hallway and/or choir room. Monitor safety via cell phones.

FIRE / BOMB THREAT

Leave the building immediately and proceed to rear parking lot nearest upper playground area.

ACTIVE SHOOTER

Hide quickly! Do not leave the building until instructed that it is safe to do so. Defend yourself against the shooter as a last resort.

CARDIAC ARREST

Look for the AED machine inside the RED rectangular box located in the Administration Bldg, right side wall just inside double door courtyard entrance.

EMERGENCY EVACUATION

EXITS TO LOWER LEVEL OF SANCTUARY BUILDING

Sacristy Exit

Use stairs behind wooden cross wall at front of the sanctuary to enter the sacristy. Use the stairs at the far end of the sacristy room to go down to the lower level.

Choir Loft Exit

Use stairs behind the choir loft door to go down to the lower level.

Narthex Exit

Leave the sanctuary building through the doors leading to the breezeway and courtyard. Use the door immediately to the left of the door you just exited through to go down the stairs to the lower level of the sanctuary building. In case of severe weather such as a tornado threat, please use one of the other two exits.
